What is VaVaVoom Assist?

VaVaVoom Assist is a powerful, all-in-one marketing platform that gives you a single, unified system to manage your entire business. With our intuitive interface, you can effortlessly handle CRM, automations, funnels, and bookings, all from one dashboard.

If you're an entrepreneur juggling multiple platforms like **ClickFunnels, Mailchimp, Klaviyo, or Buffer**, we simplify streamline it all into one simple system. No steep learning curves. No overwhelm. Just results.

Why Business Owners Choose VaVaVoom Assist?

You focus on growth. We handle the tech.

VaVaVoom Assist doesn't just give you a powerful all-in-one platform—it pairs you with a highly trained **Virtual Assistant who runs it for you**. Our experts know the system inside and out, so you get results without the heavy lifting.

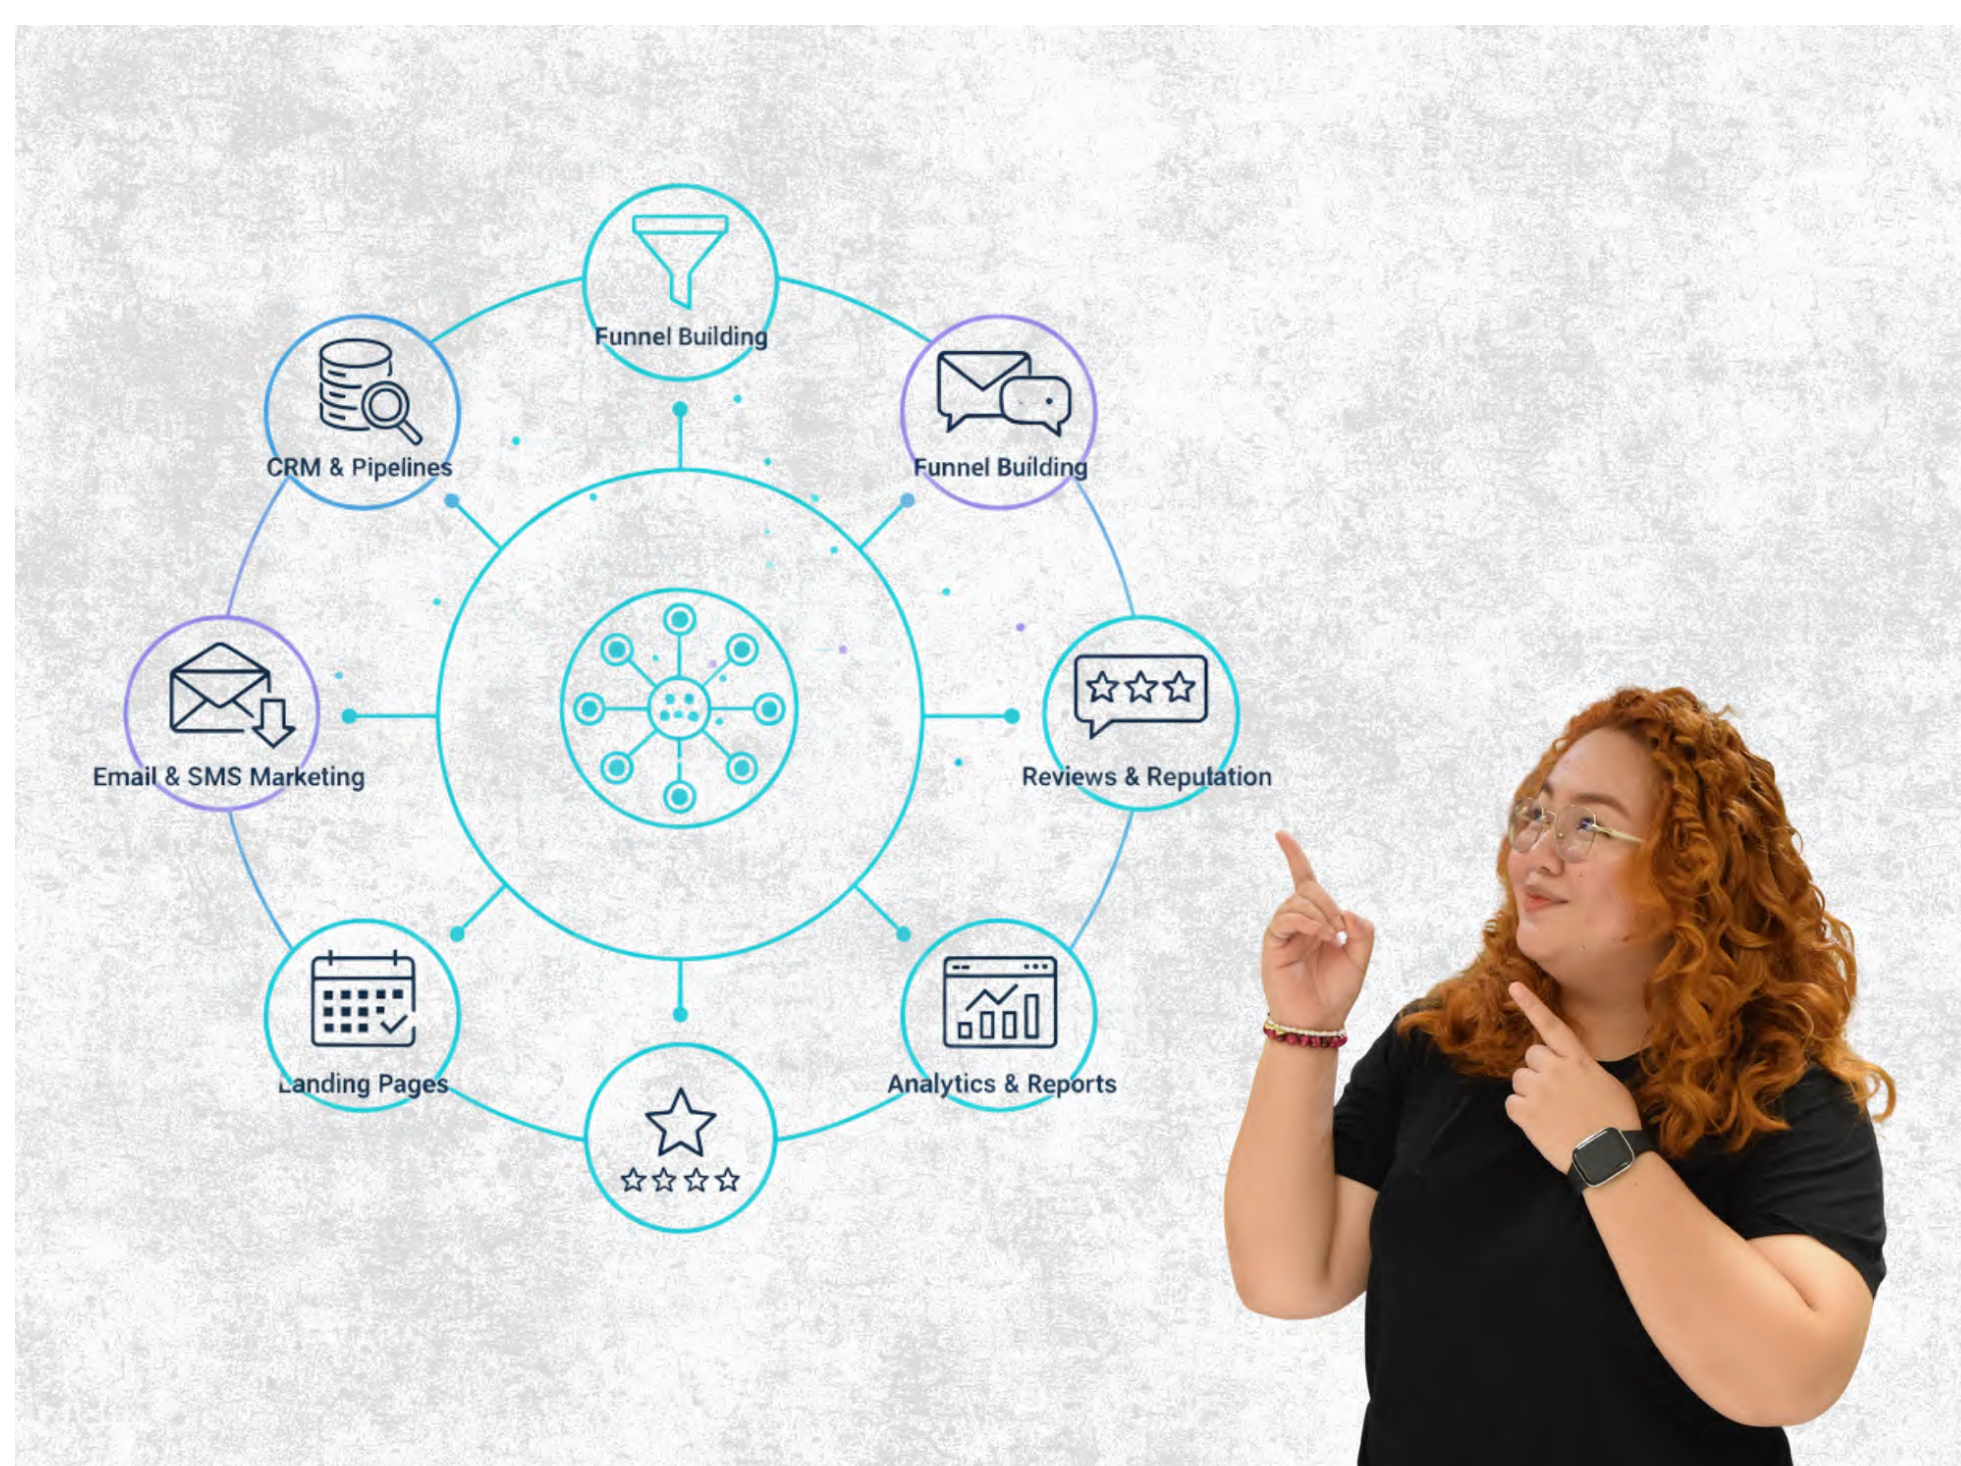

Here's why business owners are making the switch:

1. All-in-One Automation Platform

Say goodbye to multiple subscriptions and scattered tools. Our GoHighLevel-based platform handles your:

- CRM & pipelines
- Funnel building
- Email & SMS marketing
- Appointment booking
- Landing pages
- Reviews & reputation
- Analytics & reports

All managed for you by your paired VA.

2. Automation and Workflows Done for You

Our VA handles setup, custom workflows, lead tracking, and lifecycle automation—so you're not chasing prospects or stuck in repetitive admin.

3. Expert Business Support from AI-Tuned VAs

Our VAs work smarter with AI and automation—so **you don't have to**. They proactively run your marketing campaigns, track performance, and keep customers engaged, all with little to no supervision from you.

VaVaVoom Assist Plans

Choose the right package for your business. Whether you're a startup owner or a growing agency, we've got a plan tailored to your needs.

Core Assist – Perfect for small businesses wanting to centralise their marketing tools and automate repetitive tasks without hiring a full-time team.

Pro Assist – Ideal for growing businesses ready to scale automation, oversee client communications, and set up full marketing campaigns.

Ultimate Assist – Designed for high-growth businesses or agencies needing comprehensive marketing automation, analytics, CRM support, and full operational execution.

Meet the Team Behind VaVaVoom Assist

We don't just assign you any VA. We match you with someone who's:

- GHL-trained in CRM, automations
- Skilled in tech platforms and campaign execution
- Backed by an expert support team

Every VA is performance monitored, trained in data security, and ready to hit the ground running.

Richard Evans
CEO & Founder | Systems Builder & Business Mentor

Drives the overall business strategy, ensuring every client is equipped with scalable systems and seamless automation tailored for growth.

Andrea Pios
Operations Director

Leads the operational execution of VaVaVoom Assist, overseeing all integrations, process improvements, and ensuring top-tier automation quality across client accounts.

Mariel Paulino
Learning & Development Director

Heads the training and performance development of our VaVaVoom Assist Virtual Assistants, ensuring each VA is skilled, confident, and client-ready.

Katie Harvey
Sales & Marketing Director

Oversees campaign strategy and internal marketing performance, while also supporting the ongoing upskilling of VAs in digital marketing, CRM, and funnel execution.

PARTNERS Who We Work With
